Career Objective

- To use my skills in the best possible way for achieving goals.

Course Details

Degree:	B. Tech	Specialization:	Electronics & Communication
---------	---------	-----------------	-----------------------------

Education

Qualification	Institute	University/Board	Year of Passing	%
B.Tech	Purnea College of Engineering, Purnea	Aryabhata Knowledge University, Patna	2021	70%
XII	R.D.B College,Sangrampur	Bihar Board	2017	60%
X	High school, khapra	Bihar Board	2015	60.6%

Technical Skills Sets

- Programming Language** : Python, OOPS, Selenium, C, HTML, CSS, JS, C#, Boot Strape ASP.Net MVC, ASP.Net Core /Api, React,
- Database** : MySQL, MS SQL Server
- Software Skills** : Git,Jenkins, Proteus (Circuit Design)
- Cloud** : Azure
- Electronic** : knowledge of Analog circuit and Digital Electronic, control system,Sensor, ESP8266 ,Arduino Uno

Interests field

- IT
- Robotic

Training & Workshops

- June-July 2020 :-Four week **PYTHON** training & Certification from E&ICT Academy IITKANPUR
- Eight Weeks online training on **MACHINE LEARNING** From Internshala.
- 6 week Hrs, Hands-on, Online Training Course on **Embedded Desine and Simulation for Analog & Digital Electronic, 8051 and Arduino Uno Microcontrollers** From Proteus .

Projects Details

- ⊙ [Student Information Management System for College](#)
- ⊙ [Street Light that Glows On Detecting Vehicle Movement](#)
- ⊙ [IoT Based Smart Car Parking System](#)

Place : Kolkata
